

NIIHA Development Program Structure

NIIHA Vision: ...should be formulated !!

Aims & Objectives: described in NIIHA's constitution

Goals;

Short Term (1 - 5 years) (2006 - 2010)

- General public acceptance of sports code
- Increase player numbers, incl. PDA's
- Teach basic / sound skating skills
- Aquaintance of rules to follow, behaviour (code of conduct) in this sports code
- Create an awareness, interest and respect in refereeing
- Establish a workable and practicle league & tournament structure
- Establish a sound & viable financial & administrative sports code structure
- Maintain WC participation
- Established international contacts for tournament participation
- Establish contact with professional clubs overseas to get 2nd hand gear phased out at the end of each season in their club for used in NIIHA development program
- Establish constant, simple, reliable, direct & regular communication with its members locally, & overseas national body-counterparts
- Find ways and means to make financially InLine Hockey more affordable to the players
- Attempt to regularly attend the annual IIHF InLine Conventions
- Start to plan / negotiate to stage international events in Namibia (Regional Club Championship/Regional leagues/Multi-national Championships-similar like the Tri-nations Championship in Rugby)
- Establish contact with an international big brand company for financial support in return of its brand on the national jersey
- Recruit & appoint interested person for different sections of program
- Establish contacts with professional clubs for 2nd hand skating equipment for PDA / development program
- Find ways & means to make InLine skating a more affordable sports code

Medium Term (5 - 10 years): (2010 - 2014)

- Generally well-known & accepted sports code as clean /neatly played competative game
- Work on short term goals
- Establish a referee panel on junior level
- Establish regular international participation
- Establish a sound no. of PDA players and hopefully referees
- Maintain WC participation within a comfortable pool position
- Build on a sound &solid foundation of financial & sports administration, respected by the national sports Council
- Attempt to negotiate hosting the IIHF InLine Convention in Namibia
- Stage international Inline events in Namibia
- Actively participate in IIHF meetings

Long Term (10 years +): (2015 - 2020)

- Put up Namibian candidate for IIHF-InLine Ex-Co

Guidelines for control & evaluation of set goals at yearly intervals:

- Season-end reports fom club level to sports officer
- Summary of received reports with analysis there-of compared to set targets for presentation to Ex-Co for consideration
- Subsidies or insentives paid out initially as loans to clubs and if fulfilled than written off, otherwise to be paid back to NIIHA
- Additional incentives paid back to club level for any additional development work done
- All Clubs should be persuaded / guided / helped to participate in this development,
- Each club should preferably asign one person for this task to keep in touch with other like wise
